THE REAL ITALIAN TASTE

Mixology Line

MIXOLOGY LINE

Mixology is the art of creating exceptional cocktails through the use of fresh, high-quality ingredients, innovative mixing techniques and a good dose of creativity. It is a sensory experience that involves taste, sense of smell and sight.

In this catalogue, we present our range of extremely versatile products designed to satisfy the needs of the modern bartender, to enable him to create unique and surprising cocktails.

Thanks to our industry experience and constant research for new ingredients and mixing techniques, we are able to offer products of the highest quality, from the most traditional to the most innovative!

SYRUPS

GLASS BOTTLE 700 ml

The **Polot 1882 syrup line** offers a wide range of references specifically designed to offer multiple innovative solutions in the cafeteria and in the preparation of alcoholic or non-alcoholic cocktails.

Thanks to the typical **sweetness** of sugar syrups and the different **aromatic notes** that characterise these products, it is possible to experiment various combinations and uses, allowing bartenders to create original, but always well-balanced recipes.

CORDIAL LINE

GLASS BOTTLE 700 ml

The **Polot 1882 range of Cocktail Complements** features flavours noted for their intensity, aroma, and acidity: **Lime Cordial, Pink Grapefruit Cordial, Blood Orange Cordial, Bergamot Cordial, Tangerine Cordial, and Yuzu Cordial.**

They are the perfect alternative to freshly squeezed fruit juice in the preparation of cocktails and long drinks, excellent for balancing and adjusting the final recipe's acidity.

Each flavour, with its citrusy, aromatic, and distinctive notes, is ideal for crafting refreshing, sophisticated, and original cocktails, adding a unique, balanced, and refined touch to every recipe
